- Synthesis. The
Millennium

Access Free Ecosystems

Ecosystem

Assessment was
called for by

United Nations S
ecretary-General

Koffi Annan in
2000 in his

report to the UN
General Working

Assembly, We the
Peoples: The

Role of the

United Nations

in the 21st

Access Free Ecosystems

Century.

Governments subsequently supported the establishment of the assessment through decisions taken by three international conventions, and the MA was initiated in 2001.
