decades of teaching and practice in a book that will serve as a lifelong companion for anyone committed to mindful living and the realization of inner freedom. Goldstein's source.

Mindfulness: A Practical Guide to Awakening by Joseph ...

In basic terms, mindfulness meditation is about focusing your attention on your breath, as you breathe in, and breathe out. Do this for 10 minutes or more at a time. When distraction inevitably arises, try 'Noting'. A technique where you label the distraction as 'thinking', or 'feeling' then return your attention to your breath.
