This document is a study guide for students to use in reviewing content about freshwater on Earth and the properties of water. This is meant to provide visual cues to aid students in remembering key concepts related to the subject. This review can be completed by students individually, or can be teacher-led, using the answer key.

Properties of Water and Freshwater Resources Illustrated

Based on Care for the Family ' s live event for Christian women, this study will look at four aspects of what it means to be free in Christ. It is designed so that it can be used either on your own or together with a group of women. Some sections in each chapter are more suited to personal reflection and others to talking over with a group of friends. For example, you may want to discuss the ...
