Veterinary Clinics of North America - Exotic Animal ...  
Of the 46 equine traits for which a genetic test is available to date, 29 were discovered from 2009 to 2019. This issue of Veterinary Clinics of North America: Equine Practice highlights these recent discoveries. A new version of the equine genome, EquCab3.0, became available in 2018, and functional annotation of the equine genome, aimed at defining regulatory marks associated with tissue-specific
