Writing war fiction, gender, and memory
Americans in this century have been largely spared the ravages of war. Though some have fought and died on foreign fronts, few have experienced invasion, occupation, or bombing at home, and so our narratives of war are particularly potent in shaping our imagination, indeed our very memory of war.

This structurally ingenious novel from the award-winning Ali Smith combines questions of creativity, gender, grief and time with the stories of George and Francesco. The novel's timeframe is as fluid as its approach to gender and, in some moments, sexuality. Ali Smith pulls off a brilliant trick: complex writing, but a simple joy to read.
